Tele Fax : +91-11-41680481/41093390
E-Mail : marketing.essentia01@gmail.com

FLAVORS

Great taste starts with extraordinary ingredients. Flavor is an essential element of all kinds of food. They play an important role in the consumption and acceptance of food. The importance of Flavors in food with regards to its palatability is well known. Not only must food be full of flavors it must also conceptualize well. Flavor ignites our senses and arouses the desire of consuming the food.
